

Granix prime stones
limited

OUR STORY

Granix Prime Stones Limited is a premier supplier of high-quality, authentic natural stone, sourced directly from the rich and diverse geological landscapes of Uganda and East Africa. Our stones embody a unique blend of natural beauty, exceptional durability, and timeless elegance, characteristic of the region.

We are dedicated to bridging continents by connecting the raw, untouched beauty of East African stone with visionary projects across the globe.

OUR MISSION

To supply the international market with premium, ethically sourced natural stones from Uganda and East Africa, delivering unmatched quality, reliability, and excellence from our quarries to your project.

OUR CORE VALUES

- **Quality:** Uncompromising standards in every slab and block.
- **Integrity:** Ethical sourcing and transparent partnerships.
- **Reliability:** Consistent supply and dependable service.
- **Excellence:** Commitment to exceeding client expectations.

WHAT WE SUPPLY

We specialize in a wide variety of natural stones sourced from Uganda and across East Africa, including:

- **Marble** – Prized for its classic veining and luxury appeal.
- **Slate** – Perfect for textured finishes and rustic elegance.
- **Sandstone** – Ideal for warm, natural-looking projects.
- **Unique East African Quartzites & Stone Varieties**– Offering distinctive colors and patterns found only in this region.

PRIMARY APPLICATIONS

Our stones are versatile and suited for both interior and exterior applications:

- **Flooring:*** Durable and beautiful floors for any space.
- **Wall Cladding:** Creating stunning feature walls and exteriors.
- **Kitchen Countertops & Vanities:***A perfect blend of function and aesthetics.
- **Landscaping & Paving:***Enhancing outdoor living areas and public spaces.
- **Monumental & Architectural Elements.***

OUR COMPETITIVE EDGE

- **Direct Regional Source:** We operate from the heart of East Africa, ensuring competitive pricing, traceability, and access to unique materials.
- . **Unmatched Quality:*** Our rigorous selection process guarantees only the finest materials.
- . **Export Expertise:** We are experienced in handling the logistics of international shipping and delivery.
- . **Customization:** We can supply in raw blocks, cut-to-size slabs, and tiles to meet your specific project needs.

LET'S BUILD SOMETHING BEAUTIFUL

We are eager to discuss how our premium natural stones from Uganda and East Africa can bring durability, beauty, and a unique character to your next iconic project.
